**Thank you to VT School Nurses**

Breena Holmes, MD, VCHIP: Yay School Nurses!

Clayton Wetzel, RN: THANK YOU!! 😊

Soph Hall, RN: Thanks for being our partners!

### Fentanyl

Important to know if your lab's UDS actually includes Fentanyl. Ours, for instance, does not; need to order separately. Seeing a lot in our pregnant (using) moms.

### Oral Health

Oral health risk assessment and shared decision-making tools:

## **VCHIP VDH COVID-19 Q&A Chat May 11, 2022**

### **Lead Screening**

Those numbers are shockingly low. I can only repeat what I've said before, Having POC testing available makes all the difference! When we needed to send families to the hospital lab our numbers completed dropped noticeably.

### **General Comments**

Great call as always.

Wendy Davis, MD, VCHIP: Thanks for joining, all!
