**SEG Reps for Clerkship (Tara)**

- Darlene presented the idea of having clerkship reps. Committee members expressed concerns that the foundations SEG rep model wouldn't be applicable to clerkship as it would be hard to decide the rep and whether the SEG rep would add to the process of reviewing evaluations and making changes. Furthermore clerkship directors worried commonly cited issues may be consistently returned to that are no solvable at this time
- Committee members expressed interest in having someone look at yearly evaluations to identify trends. They would like to see a formal proposal from SEG and would like to pilot it first in a single clerkship.
- Perhaps a focus group of students on 4-6 rotations could be assembled. Questions raised included: What is our value added? What would be most useful? How can we do it in a meaningful way? Will it really be possible to change anything? Next step:
- Tara will email the third- and fourth-years to get opinions about what kind of student representation is needed and how SEG might be helpful.
