**YOUNG IN MIND AND AT HEART RETIREES NEEDING ASSISTANCE:**

Retired St Albans attorney with Progressive Supranuclear Palsy ( a rare neurodegenerative disease) seeking energetic, responsible care providers for both daytime coverage for both week days and weekends and a overnight live in provider. Care providers will have a good sense of humor and the ability to offer an intellectual challenge as well as being able to work as a team member with the attorney's wife ( retired social worker, MSW UVM, with healing broken leg) and other providers. Knowledge and experience regarding the disease and/or caregiving is helpful and willingness to learn essential.

DayTime Providers: Duties will include being a safety presence, companionship (chess playing, good debates – a plus) and some personal care which may include lifting. Meal preparation, light housekeeping and occasional local transportation may also be needed. We are looking to insure daily coverage , including weekends, between 8am and 6pm through full day and part time shifts. Days and hours to be determined based on need for coverage and providers availability. Compensation: \$12-15/hour.

OverNight Provider: Duties will include, while sharing our home, being a live-in safety presence and back up for the attorney's wife as needed. Occasional personal care and companionship to provide respite to the attorney's wife may also be needed. Awake coverage not required ongoing, but waking in the night maybe needed based on attorney's needs. Provider will have own room in large home (currently, no animals and only attorney and wife); room and board in exchange for overnight coverage, hours and "time off" to be negotiated.
