Annual Meeting: November 13 - 14, 2017

Submit Evaluation: on the last day (Nov 14) before you leave the conference

Meeting Materials Available On-line: November 17, 2017

Meeting Overview

Attendees at the 2017 NIPN Annual Meeting will participate in real world, hands-on training and tools in program development and sustainability, including focused content on conducting quality improvement activities in primary care settings. Sessions are tailored towards issues of interest for IP leaders and partners, QI coaches, practice facilitators, and data analysts.

Please do not forget to bring a sweater or wrap as conference rooms tend to be chilly.

Thank you to **The University of New Mexico School of Medicine, Office of Continuing Medical Education** for providing:

11.5 CMEs

The Office of Continuing Medical Education designates this live activity for a maximum of **11.5 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of New Mexico School of Medicine, Office of Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Cost:

There is no registration fee to attend the meeting

Who Should Attend?

IP leaders, IP partners/stakeholders, quality improvement coaching staff, and program managers; non-IP professionals who oversee and/or conduct quality improvement activities in primary care practice settings that serve children may also attend.

Keynote Speaker: J.E. Jamal Martín, PhD, MPH, BA **Title:** *Social Determinates of Health*

Bio: J.E. Jamal Martín has clinical and academic experience in nursing, medicine, and public health. He has taught interdisciplinary studies and carried out clinical research in public health practice and epidemiology in local, national, and international settings. Educated at the New School for Social Research, he completed his undergraduate degree at Hawaii Pacific College and graduate degree at the University of Hawaii at Manoa. He received postgraduate training in epidemiology through the University of Michigan and the Centers for Disease Control and Prevention. Following completion of his doctorate at the University of New Mexico, he briefly studied at the O'Neill Institute for National and Global Health Law at Georgetown University in Washington, DC.

- Hawaii Pacific University, BA, Health Sciences and Human Services
- University of Hawaii at Manoa, MPH, Community Health Development
- University of New Mexico, PhD, Health Promotion and Disease Prevention
