CONTINUING MEDICAL AND INTERPROFESSIONAL EDUCATION

Schedule of Events 2018

**New Date:
Blueprint
March 27**

In Alliance with the University of Vermont Medical Center

Preserving the passion for learning by sponsoring quality interprofessional educational activities is the goal of Continuing Medical and Interprofessional Education at the Robert Larner, M.D. College of Medicine at The University of Vermont, in alliance with the University of Vermont Medical Center.

Our programs provide opportunities for health care professionals to master what is new, gain fresh insights into the diagnosis and management of common clinical conditions, and share ideas and problems with colleagues. We offer a variety of medical courses each year, ranging from half-day seminars to week-long national conferences.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

The Larner College of Medicine is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing medical education for the healthcare team. Every effort is made to ensure that specialty society credit is also obtained for appropriate programs, so that professionals attending these courses may earn the credit most useful to them in fulfilling their continuing education requirements.

The Robert Larner M.D. College of Medicine and academic health center partner, the University of Vermont Medical Center, are located on the eastern shore of Lake Champlain in Burlington, Vermont.
