Subject: 2019-2020 Student Body President-Elect Announced

The following email is sent with Office of Medical Student Education support:

Dear Larner College of Medicine Students,

Student Council is thrilled to announce the Class of 2021 election for the student body president-elect has concluded. The Class of 2021 selected Evan Lowry, Student Council Class of 2021 Chair of Finance, to serve as the class president during their fourth-year of medical school.

Evan will serve as the President-Elect during the Class of 2021's third year (2019-2020 academic year) and subsequently as the President of Student Council during the Class of 2021's fourth year. His term as President-Elect will launch with the May Student Council Meeting (May 8th). This day also marks the transition of President-Elect, Ava Bakhtyari, into her new role as Student Council President.

We are thrilled to have Evan and Ava leading us into this new year. Please join us in congratulating Evan on his election into this important role, and Ava as she begins her term as President.

Sincerely,

Your Larner College of Medicine Student Council
