VERMONT ACADEMY OF
FAMILY PHYSICIANS

Technology Notes

1) **Please remember to mute the phone line and/or mute the speakers on your computer.**

If you dialed in or out, mute by pressing *6 (#6 to unmute) on your phone. Presenters: Please avoid the use of speakerphone and make sure your computer speaker is muted if you dialed in via phone.

2) To ask or respond to a question using the **Chat** box, type your question and click the  icon or press Enter to send.

Note: If you select **Listen Only**, a microphone icon will still appear by your name on the attendee list, but your audio will NOT be connected.

Overview

- Situation update
 - ▣ Surveillance/testing
 - ▣ New VDH information/resources
 - **NEW** VDH web page for Health Care Professionals
- Sharing practice strategies
 - ▣ South Royalton Health Center: Ashley Miller, MD FAAP

- Question and answer

[Please note: the COVID-19 situation continues to evolve very rapidly – so the information we're providing may change]

Situation Update

- Surveillance/Laboratory testing: VDH lab running ~130 samples/day (clinical prioritization: symptomatic HCWs, hosp. pts., LTC residents, incarcerated individuals, “other high-priority groups”).
- Current COVID activity in Vermont (VDH/other PH labs, commercial):

Positive test results*	123
Total tests conducted	1,712
Deaths*	8
People being monitored	342
People who have completed monitoring	317

<https://www.healthvermont.gov/response/infectious-disease/2019-novel-coronavirus>

- **Health Advisory (3/25/20) – COVID-19: Additional Information Regarding Laboratory Testing**
- VDH lab received shipment of test kits from FEMA this morning
