Subject: ATTENTION ~ A message from your 2019 AAMC OSR Reps
Importance: High

The following is sent on behalf of your AAMC Organization of Student Representatives (OSR) Reps:

Dear LCOM co2019,

Congratulations on your imminent graduation! We hope you are finding a few weeks of rest, relaxation, and vacation during these final few weeks of medical school before your next adventure begins.

As your co2019 AAMC OSR representatives, we are reaching out with a plea to **please** take a few minutes to fill out the **AAMC GQ questionnaire you have received an email about on Feb 14th**. While we understand that most of you are likely beyond ready to put surveys, questionnaires and medical school work behind you, this survey provides extremely important feedback for LCOM about your overall experience and is used to improve medical education for upcoming classes of LCOM students.

Thank you to the 63.2% of you who have already graciously filled out the survey. We are eager to hear from the **remaining 36.8% of you** (8.5% of you are in progress - you just need to get to the finish line); please help ensure our medical school has an accurate picture of our experience to inform improvements and future education initiatives.

Think of completing this survey as your last parting gift or first alumni donation to LCOM as a thank you for the past four presumably challenging, hopefully fun, and definitively life changing years. **PLUS you have the opportunity to win a prize** by emailing a copy/screenshot of your confirmation to StudentComServices.

Thank you in advance for your time and best of luck in residency!
