Subject: Weekly Wire Post for IM SIG

Join the ACP!

The American College of Physicians is a one-stop resource for news and opportunities pertaining to Internal Medicine. Through partnership with the Internal Medicine SIG, the ACP has promised to increase its donation to LCOM for every new UVM medical student who signs up to be an ACP member. Here's what that means for you:

- Free ACP membership
- Free access to Annals of Internal Medicine, a renowned scientific medical journal in practice and evidence based medicine
- Opportunities to connect to mentors and research opportunities in Internal Medicine around the country
- Funding and food for more IM SIG events

If you'd like to sign up (free! takes 5 minutes!), follow the link:
