

CONFERENCE SUMMARY

COURSE DESCRIPTION

Back once again with the latest information relevant to dermatology, Advanced Dermatology for Primary Care is designed for the non-dermatologist and will focus on practical office dermatology. Primary care physicians, nurses, physician assistants, nurse practitioners and other medical professionals with an interest in dermatology are encouraged to attend. Faculty will present a wide spectrum of common dermatological problems and emphasize effective management. Ample opportunity will be given for questions during the lectures and at the end of each session.

Two intensive hands-on workshops featuring biopsy, excision, simple repairs, cryosurgery and electrocautery techniques will take place on Sunday morning. Participants will be expected to bring some surgical instruments. More detailed information will be provided upon receipt of your registration. A live patient demonstration will be available at UVM Medical Center to illustrate the injection of botulinum toxin for glabellar and forehead wrinkles (must have valid VT medical license to actively participate in the botulinum toxin workshop).

OBJECTIVES

1. Describe the pathophysiology of the most common dermatologic problems such as acne, dermatitis, psoriasis, skin infections and skin tumors.
2. Identify current therapies available for these conditions and how they are administered.
3. Apply proper dermatology coding.

REGISTRATION FEE SUMMARY

Physicians: \$550 Lectures and Concurrent Workshops; \$450 Lectures Only.
Health Professionals and Residents: \$450 Lectures and Concurrent Workshops; \$350 Lectures Only. An additional \$125 fee will apply for those attending the Botulinum Toxin Workshop. There will be limited enrollment. Fee includes electronic syllabus, breakfasts and breaks.

Refunds may be obtained, less an administrative fee of \$75, if notice of cancellation is received by September 17, 2018. No refunds are possible after that date.

ACCREDITATION

In support of improving patient care, The Robert Larner, MD College of Medicine at The University of Vermont is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Vermont designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been reviewed and is acceptable for up to 14 Nursing Contact Hours.

Application for CME Credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Determination of Pharmacotherapeutic Credit is pending.

Please note: If you do not participate in the optional workshops, the conference is accredited for 10 credits.

11:45 am	Adjourn	

CONFERENCE DETAILS

SYLLABUS

The conference syllabus will be available as an electronic download with presentations as PDF files. Please bring your laptop/electronic device to view presentations as well as to complete the electronic conference evaluations. You will receive a notification via email prior to the conference start date with instructions for accessing the presentations. Printed syllabi will not be available.

RECREATION / LEISURE TIME

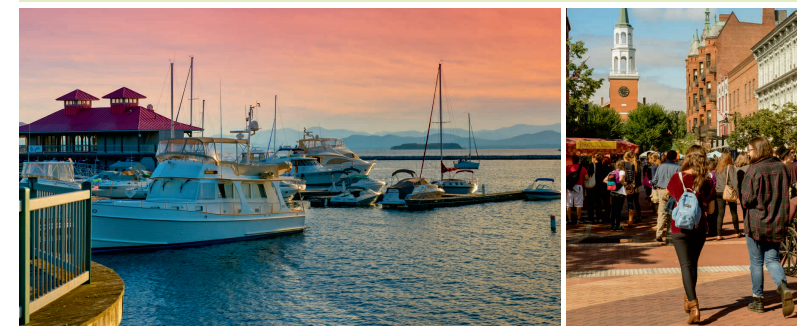

This course, combining an intensive program with a long weekend timetable, is designed so that participants are free in the afternoons to enjoy the beauty of Vermont. Burlington is ideally situated on the shores of Lake Champlain, the sixth largest freshwater lake in the U.S. and offers great shopping and excellent restaurants. Echo at the Leahy Center for Lake Champlain provides fun learning activities for children on the ecology, history and culture of Lake Champlain. Historic Shelburne Farms and the Shelburne Museum, an eclectic collection of Americana, are a 20-minute drive from the hotel. Within an hour drive are the Ben & Jerry's Ice Cream Factory, UVM Morgan Horse Farm, and the world's largest granite quarry.

HOTEL INFORMATION

A block of rooms has been reserved at the Hilton Hotel, located at 60 Battery Street in downtown Burlington. Individual guest reservations may be made by calling 1-800-HILTONS (800-445-8667). Please mention your participation in this course to receive the conference rate of \$189-209. Discounted room rates expire on September 14. To ensure room choice and availability, it is recommended that you make your room reservations as soon as possible as the hotel often sells out during this time of year.

TRANSPORTATION

The Burlington International Airport is served by several major airlines. Auto rentals are available at the airport, but should be reserved in advance. Hotel van service is available upon request.

REGISTRATION FORM

ADVANCED DERMATOLOGY FOR PRIMARY CARE
