

# Vermont Academic Detailing Program

## What is Academic Detailing?

- One-hour interactive sessions geared to practitioners who prescribe medications
- The latest evidence-based prescriber support and education for managing common but challenging primary care conditions
- One FREE hour of CME is offered for each session
- An objective, unbiased overview of what the evidence from studies shows about various drugs, and non-drug therapies used to treat a medical condition
- There is NO pharmaceutical company sponsorship associated with the program

## Where?

An Academic Detailer will visit a primary care office anywhere in the state of Vermont at a time that is convenient for the individual practice.

## Want to know more?

### 2018 - 2019 session topics:

- Management of Fibromyalgia
- Management of Opioids – The Rules
- Advanced Management of Opioids
- Stroke Prevention in Atrial Fibrillation
- Management of Type 2 Diabetes
- Fluoride Varnish in Primary Care

## How do you schedule a session?
