CONFERENCE SUMMARY

At the conclusion of this conference, participants should be able to:

- Understand the latest information in enhanced recovery after cesarean section delivery.
- Understand the current theories on neuromodulation in the treatment of chronic pain.
- Conversant in the latest theories on post-operative delirium and cognitive function.
- Updated knowledge in ACLS related to anesthesia providers.

NEW THIS YEAR: POSTER COMPETITION

This year, to celebrate the 25th year of its inception, we are holding a poster competition for students in anesthesiology including medical students, residents, SRNAs and AAs. This is an excellent opportunity for trainees to submit their work in the form of a poster to network, engage in stimulating conversations, and experience what this conference has to offer.

At the conclusion of this conference, participants should be able to:

- Understand the latest information in regional anesthesia from clinical surgical procedures.
- Able to discuss the concepts and philosophy of “placebo anesthesia.”
- Updated knowledge on current state of spinal cord protection in aortic regurgitation.
- Understand new information about regional anesthesia from clinical registries.
- Updated knowledge on vaping-related lung injury.

At the conclusion of this conference, participants should be able to:

- Understand the current theories on myocardial injury after non-cardiac surgery.
- Conversant in regional anesthesia techniques for critically ill as well as healthy patients.
- Updated knowledge in the activity.

ACCREDITATION

The Robert Larner, M.D. College of Medicine at The University of Vermont is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for physicians, nurses, and pharmacists.

In support of improving patient care, The Robert Larner, M.D. College of Medicine at The University of Vermont and the Dartmouth Institute at the Geisel School of Medicine at Dartmouth are collaborating to offer this continuing medical education activity.

This conference is registered for AMA PRA Category 1 Credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been reviewed and is acceptable for up to 16 Nursing Contact Hours.

These credits are for the University of Vermont Medical Center Faculty:

- Simon C. Hillier, MD
- F. Louis Kirk, MD
- R. Matthew Fisher, MD
- Rany T. Abdallah, MD, PhD, MBA
- Jennifer C. Gage, MD
- Andreas H. Taenzer, MD
- Steve D. Surgenor, MD
- Kevin X. Abnet, MD
- Bridget M. Harrarquin, MD
- And please use the conference website for more details on submitting, requirements and who to contact for questions: go.com/anesthesia2020
