University of Vermont Medical Center
Cardiovascular/Vascular Forum

Conference Description
To provide education to referring providers about cardiovascular and vascular disease, to facilitate the accuracy of referrals and prevent delay of treatment which contributes to further complications and potential hospital admissions.

Objectives
Upon completion of this program, attendees should be able to:

- Discuss time frames and management of hemodialysis access.
- Identify the significance of Cerebral Large Vessel Occlusion and its treatments.
- Evaluate and manage Peripheral Arter Disease (PAD).
- Explain Thoracic Outlet Syndrome and treatment options.
- Discuss the increasing role of percutaneous aortic valve surgery.
- Appreciate the importance of a vascular health screening for early detection and prevention of vascular disease.
- Describe the severity and subtlety of the Diabetic Foot.

Accreditation
In support of improving patient care, The Robert Larner College of Medicine at the University of Vermont is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The University of Vermont designates this live activity for a maximum of 4 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conference Location
The conference will be held at Trader Duke’s Hotel located at 1117 Williston Road, South Burlington, VT 05403.

Refunds
Refunds, minus an administrative fee of $25, will be made only if notice of cancellation is received in writing by February 16, 2018. You may, however, substitute another individual in your place by calling the CMIE office at 802-656-2292.
