

We are looking for a kind, patient medical student to work with my mother on weekends. We have previously hired MSW and pre-med students, and a variety of other educated folks who have enjoyed working part-time with my mother.

Would you be willing to post or forward the attached ad for your med students to consider?

Thanks very much,

Noam

MEDICAL STUDENTS: WEEKEND COMPANION WANTED

Work part-time as companion to blind nonagenarian former MSW and peace/social justice activist in Shelburne. Candidate must be progressive, responsible and use initiative to provide intellectual and social stimulation. Must be a good communicator with a loud voice and be computer literate. BA/BS required. Experience with elders and a sense of humor a plus.

Two hour shifts, Saturday and Sunday. Times TBD.
\$21/hour, paid training, benefits.

Send resume and cover letter to noam.passo@gmail.com
