

# The Campaign and the College of Medicine

## The Campaign

*Move Mountains: The Campaign for The University of Vermont* is a \$500 million fundraising effort for UVM and the UVM Medical Center to provide students, faculty, and clinicians with the resources they need to make a positive and powerful impact on Burlington, Vermont and the world.

## Role of the College of Medicine

The campaign goal for the College of Medicine is \$117 million by 2019. Together with the UVM Medical Center, UVM Cancer Center, and College of Nursing and Health Sciences, the Academic Health Sciences have a combined goal of \$211.3 million. This campaign will be transformational for our top-tier academic medical center.

## Moving the College of Medicine forward though:

- Increasing medical student aid and endowed fellowships to reduce the burden of debt and ensure we
- continue to attract the best and brightest students regardless of their ability to pay
- New endowed professorships, chairs and director positions to attract and retain the best faculty and fund their innovative work
- Advancing interdisciplinary education and research programs across the biomedical sciences
- Supporting construction of a new inpatient facility that will allow 90% of inpatients to stay in private rooms
- Enhancing patient care, education and research through increased collaboration between the College of Medicine, UVM Medical Center, UVM Cancer Center, and College of Nursing and Health Sciences

## Gift from Robert Larner, M.D.

'42

The campaign launch featured a \$9 million gift from Robert Larner, M.D. '42 and Helen Larner. This gift will support the Larner Endowed Medical Education Fund and is just one example of the impact College of Medicine supporters are making during this campaign.

## Why should it matter to me?

Your participation is a vote of confidence in UVM and an assurance that generations of students to come will benefit from a world-class education. Your gift is a direct investment in the careers of physicians and scientists whose work benefits people throughout Vermont, across the nation and around the world. *Every gift counts toward the campaign – regardless of size or designation.*
