The course will provide practical approaches to common problems in Hospital Medicine informed by experts and the latest evidence.

**TARGET AUDIENCE**
The target audience is comprised of physicians, physician assistants, nurse practitioners, and nurses practicing Hospital Medicine. Some of the clinicians will also be engaged in education, research, quality improvement, and management. The audience may also include Hospital Medicine program administrators, residents, physicians, and medical students with an interest in careers in Hospital Medicine.

**EDUCATIONAL OBJECTIVES**
By the end of the event, participants should be able to:
- Recognize appropriate and responsible antimicrobial use
- Review management of various illnesses and anti-infective resistance
- Identify the latest guidelines in consultative Medicine
- Identify the latest trends in pharmacologic management of chronic conditions
- Identify new diagnostic tools

**WORKSHOP INFORMATION**
- **Where:** Hotel on the UVM Campus—Sunday, February 10, 7:30am-12:00pm Point-of-care ultrasound has emerged as an important bedside tool in the management of critically ill patients. This workshop combines high-yield didactic sessions with hands-on training on live models. The workshop will start with a review of ultrasound technology basics and then explore a myriad of diagnostic ultrasound applications: focused cardiac ultrasound, abdominal aortic aneurysm, pulmonary, pleural effusions, chronic liver disease, and deep venous thrombosis. The workshop is ideal for both beginners and those looking to refine their ultrasound skills. Expected faculty to attendee ratio is 1:3.

  - **Where:** Stowe Mountain Lodge—Monday, February 11, 9:00am-12:00pm (at Stowe Mountain Lodge—Monday, February 11, 9:00am-12:00pm) Point-of-care ultrasound has emerged as an important bedside tool in the management of critically ill patients. **CONFERECE FACULTY**

**Course Directors**
- Caroline Lyon, MD, MPH, FHIM
  - Associate Professor of Medicine
  - Division of Hospital Medicine

- Steven Grant, MD
  - Associate Professor of Medicine
  - Associate Director
  - Division of Hospital Medicine

- Allen Repp, MD, MSc, SFHM, FACP
  - Professor of Medicine
  - Vice Chair for Quality
  - Department of Medicine

**UNIVERSITY OF VERMONT MEDICAL CENTER FACULTY**
- *Jason Bartich, MD*
  - Assistant Professor of Medicine
  - Division of Hospital Medicine

- *Akira Fitzgerald, MD*
  - Assistant Professor of Medicine
  - Division of Nephrology

- *Eric Ganguly, MD*
  - Associate Professor of Medicine
  - Division of Gastroenterology

- *Zachariah Gardner, MD*
  - Assistant Professor of Medicine
  - Division of Hospital Medicine

- *Matthew Gilchrist, DO*
  - Associate Professor of Medicine
  - Division of Hospital Medicine

- *Mohit Jindal, MD*
  - Assistant Professor of Medicine
  - Division of Endocrinology and Diabetes

- *Michael Kasten, MD*
  - Assistant Professor of Medicine
  - Division of Pulmonary and Critical Care

- *Caroline Lyon, MD, MPH, FHIM*
  - Associate Professor of Medicine
  - Chief, Transplant and Hepatology

- *Sanchit Maruti, MD, MSc, SFHM*
  - Assistant Professor of Medicine
  - Division of Hospital Medicine

- *Shoshana Herzog, MD, MPH, FACP*
  - Director, Hospital Medicine Research
  - Beth Israel Deaconess Medical Center

- *Steven Grant, MD*
  - Assistant Professor of Medicine
  - Harvard Medical School

- *Peter Lindemeyer, MD, MSc, MHM*
  - Professor, Medicine and Quantitative Health Sciences
  - University of Mass. Medical School-Baystate

- *Beth Israel Deaconess Medical Center*
  - Associate Professor of Medicine
  - Department of Medicine

**Guest Faculty**
- *Shoshana Herzog, MD, MPH, FACP*
  - Director, Hospital Medicine Research
  - Beth Israel Deaconess Medical Center

- *Peter Lindemeyer, MD, MSc, MHM*

**ACCREDITATION**
The Rapid Laser College of Medicine at the University of Vermont is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) to provide continuing medical education for physicians. The Rapid Laser College of Medicine designates this educational activity for a maximum of 15 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Each participant will be asked to complete a post-activity evaluation. Participation with MOC points equivalent to the amount of CME credits claimed for the activity. The Rapid Laser College of Medicine is accredited to offer continuing medical education for physicians.
PROGRAM SCHEDULE

SUNDAY, FEBRUARY 10, 2019

MONDAY, FEBRUARY 11, 2019

MONDAY, FEBRUARY 11, 2019

TUESDAY, FEBRUARY 12, 2019

CONFERENCE SYLLABUS

The conference syllabus will only be available as an electronic download with PDF versions of the presentations. Please plan to bring your laptop or electronic device to view presentations as well as completing the electronic conference evaluation via our online UVM CMIE system. You will receive a notification that the presentations are available for download prior to the start of the conference.

ACCOMMODATIONS

A block of rooms has been reserved at the Stowe Mountain Lodge in Stowe, Vermont. Please make reservations directly with the Lodge ((802-760-4755 or 888-4-STOWEVT) and indicate your participation in the conference. Stowe exudes breathtaking beauty in the winter. World class skiing is available, at discount rates, by completing the appropriate section on the registration form.

REGISTRATION AND CANCELLATION

Tuition: Register by January 15, 2019 and pay tuition of $450 Physicians; $250 Residents and Fellows. Late Fee: After January 15, 2019 - Add: $50

Refunds, minus an administrative fee of $75, will be made only if notice of cancellation is received, in writing, by January 15, 2019. No refunds are possible after that date.

LEISURE ACTIVITIES

This course is designed so that participants are free from 10:30am to 4:00pm for skiing and other winter recreation. The Stowe Mountain Lodge offers extensive recreational facilities and superb artist-inspired cuisine. A world class spa and indoor pool with indoor access and full service fitness center are located on site. Stowe offers twelve lifts and skiing in the winter. World class skiing is available, at discount rates, by completing the appropriate section on the registration form. Those who wish to explore the mountain on foot, without skis, the village of Stowe offers many small, unique boutiques and antique shops. Nordic skiing, snowmobile rentals, and skating are also available in the village. The Stowe Area Association (802-532-7512) or visit www.stowevt.com for information.

TRANSPORTATION

Stowe is 20 minutes north of exit 10, I-89 on Route 100. The local roads leading to the Lodge are clearly marked. Burlington International Airport at Burlington (only 46 minutes to Stowe) is served by several major airlines. Car rental or taxi to Stowe is available. Consult your travel agent or airline reservation desk for information. You may wish to rent a car for the 45-minute trip to the hotel to take advantage of the many fine restaurants and shops in Stowe Village and the surrounding area.
