Family Services Mission

We engage families, foster and kin caregivers, partner agencies, and the community to increase safety and law abidance for Vermont's children and youth.

We achieve our mission by working with families to:

- *Keep children and youth safe,*
- *Keep youth free from harmful behaviors,*

And if that is not possible:

- *Caring for children and youth in DCF or conditional custody and attending to their well-being, while working towards safe reunification.*

And if that is not possible:

- *Achieving other forms of permanency for children and youth in DCF or conditional custody by providing them with safe, supportive, lifelong connections.*

Four Key Outcomes

Safety

Permanence: timely, safe

Decision Point: Is the Child Safe?

The first priority of the social worker is to answer the question

Is the child safe now?

- If not, what needs to be done to promote safety?
- Is out of home placement necessary?
- If the child must leave home, is a familiar person available to provide short-term care?
- Is DCF custody a necessary element to promote safety?

Youth Justice

Unlike child protection agencies in most other states, FSD also serves as the state's youth justice agency.

In this role, we:

- Work with youth whose own behaviors put them at risk;
- Supervise youth who are on probation for committing delinquent acts;
- Assess youth to determine their challenges and strengths;
- Place youth in temporary out-of-home care when necessary;
- Work with the youth and parents towards their safe return home; and
- Find permanent homes for youth who cannot safely return home, preferably with extended family members or known connections.
