Subject: Welcome Donna O'Malley as Interim Director at Dana Medical Library ~ On Behalf of Dean Mara Saule

We are pleased to announce that Donna O'Malley is fulfilling the role of Interim Director at Dana Medical Library as of April 1st.

Donna has been a faculty member in the libraries since 1985. Her research interests center on scholarly communication, including software tools for accessing and organizing published scholarship, as well as methods for facilitating the publishing and sharing of research.

Donna has lead the UVM Libraries Institutional Repository group, coordinating the growth and development of ScholarWorks @ UVM, and she also participates in the College of Medicine Vertical Integrated Curriculum.

Donna serves as a consultant and co-instructor in the Public Health graduate certificate and MPH programs.

Please join us in welcoming Donna into her new interim role at the UVM Libraries.

Sincerely,
Mara Saule, Dean of Libraries & CIO
