

CERTIFIED NURSE MIDWIVES IN VERMONT 2013 RE-LICENSURE SURVEY

Prepared by:

Mary Val Palumbo DNP, APRN

AHEC NURSING WORKFORCE, RESEARCH,
PLANNING and DEVELOPMENT

University of Vermont

PURPOSE

The UVM Area Health Education Center (AHEC) program conducts a biennial re-licensure survey of Vermont's Advanced Practice Registered Nurses (APRNs) including the Certified Nurse Midwife (CNM) in order to provide Vermonters, healthcare employers, educators and policymakers with useful information on the status of this important segment of the nursing workforce.

METHODS

The invitation to participate from AHEC and a paper survey were included in re-licensure materials sent out by the Vermont Board of Nursing to 593 APRNs licensed in Vermont as of January 1, 2013. A reminder postcard was sent at two weeks and a replacement paper survey was also mailed to all APRNs who did not initially participate at four weeks. A paper survey was also available at the Board of Nursing.

RESULTS

The survey was completed by 340 APRNs (57% response rate).

294 APRNs reported working in Vermont and 9% (27) were licensed as CNMs and used in this analysis.

As of April 1, 2013 there were 575 APRNs with active licenses in the state of Vermont.

CNM DEMOGRAPHIC INFORMATION

CNM DEMOGRAPHIC INFORMATION

CNM DEMOGRAPHIC INFORMATION

Vermont Counties of primary practice

n = 26

County in Vermont	# CNMs	Percent
Addison	2	8%
Bennington	2	8%
Caledonia	2	8%
Chittenden	10	39%
Franklin	1	4%
Lamoille	3	12%
Orange	4	15%
Washington	1	4%
Windsor	1	4%

Counties of secondary position

County	# CNMs	Percent
Bennington	1	4%
Chittenden	1	4%
Washington	1	4%
Windham	1	4%
Missing or n/a	23	84%

CNM HIGHEST LEVEL OF EDUCATION
