For Wide Release:

Vermont LEND Legislative Day 2015

On Thursday, February 12, 2015, the Vermont LEND trainee/fellows traveled to the State House in Montpelier for Legislative day. Trainee/fellows toured the State House, met with legislatures from their respective districts, sat on committee meetings and observed proceedings on the House as well as the Senate floor. Prior to heading to the state capital, trainee/fellows researched a bill of interest and tracked the process of that bill becoming a law.
