**Subject:** [gsalist] New Orthopaedic Surgery Residency Program - Ocala Regional Medical Center

Dear GSA Colleagues,

I am writing to announce a new Orthopaedic Surgery Residency Program, based at Ocala Regional Medical Center in Ocala, FL has received initial accreditation and is seeking immediate applicants. Applications should be submitted through ERAS (the NRMP program code is 1587260C0). Qualified applicants will be selected for interviews.

This program is part of the University of Central Florida (UCF)-Hospital Corporation of America GME consortium and will accept a total of three residents per year for a total of 15 accredited positions. The program will be directed by Dr. James McFadden, who completed his residency at University of Illinois and his fellowship at University of Florida. The Orthopaedic Surgery program is the eighth UCF-HCA GME program at Ocala Regional Medical Center and the 25<sup>th</sup> consortium program.

Ocala Regional Medical Center is a 222-bed facility and Verified Level II Trauma Center that offers a host of medical services including bariatric surgery, cardiac and vascular, emergency, neurological and rehabilitation services. It is accredited by the American College of Surgeons' Commission on Cancer, the American Society for Bariatric Surgery, the Society of Chest Pain Centers and the Joint Commission, as well as the Joint Commission's designation as a Primary Stroke Center.

Please let your students know that they are invited to apply. To learn more about the Orthopaedic program at Ocala Regional Medical Center, please contact Dr. Fuller at 352.401.1543 or [Jacklyn.fuller@hcahealthcare.com](mailto:Jacklyn.fuller@hcahealthcare.com).

Thank you,  
Soraya
