Housing Options

1. A block of rooms has been reserved at the Sheraton Hotel (870 Williston Road, Burlington, VT). Reservations must be made by **June 30, 2017** to receive this special rate. (*We recommend that reservations be made as early as possible as the room block has filled quickly in the past.*)
Rates: \$145/night, single/double occupancy
[Sheraton Online Reservations - special rate/](#) **888-627-7125**
Room block name: **UVM Stem Cell Research Conference**
2. A *small* block of less expensive rooms is also available at the Windjammer Inn/Best Western. (1076 Williston Road, South Burlington, VT) This hotel is a little further away from campus, however, the room does include a \$10/night restaurant voucher for weekday reservations.
Rate: \$109/night, single/double occupancy
<http://www.bestwesternburlingtonvt.com/> **800-371-1125**
Room block name: **UVM Stem Cell Research Conference**
3. **On campus housing** is also available. Price range ~ \$78/night, single rooms, shared bathrooms (*not inclusive of taxes and fees*). For more information, please click here: www.regonline.com/2017stemcelllodging

Airport Shuttle

Both the Sheraton and the Windjammer Inn/Best Western have a complimentary airport Shuttle available for pickup. After you've retrieved your luggage, please call the appropriate hotel for pickup.
Sheraton: 802-865-6600 Windjammer Inn/Best Western: 802-863-1125

Travel

The Burlington International Airport is located 10 minutes from the University of Vermont and has direct flights to most Northeastern and mid-Atlantic hubs.

Shuttles

A UVM shuttle bus will run at appropriate times between the Sheraton Hotel and the Davis Center.

Meals

There will be a welcoming reception Monday evening, July 24, at the Sheraton. Continental breakfast and lunch will be provided on July 25-27 at the Davis Center on the University campus. On Wednesday evening there will be a Lake Champlain dinner cruise on the *Spirit of Ethan Allen*, price included for conference registrants. Additional fee required for guests.

Posters

All participants are strongly encouraged to present a poster describing current research. Trainees applying for a Travel Award, including the women-minority-disabled travel award, should submit a poster abstract by **May 1, 2017**. **All other abstracts must be submitted by June 1, 2017 to be included in the conference booklet.**
