## COURSE DESCRIPTION

The course will provide practical approaches to common problems in hospital medicine informed by experts and the latest evidence.

## TARGET AUDIENCE

The target audience is comprised of physicians, physician assistants, nurse practitioners, and nurses practicing hospital medicine. Some of the clinicians will also be engaged in education, research, quality improvement, and management. The audience may also include hospital medicine program administrators, resident physicians, and medical students with an interest in careers in hospital medicine.

## EDUCATIONAL OBJECTIVES

By the end of the event, participants should be able to:

- Know updated guidelines in the treatment of acute heart failure
- Have tools to guide inpatient management of patients with opiate use disorder
- Review the inpatient management of cirrhosis

## WORKSHOP INFORMATION

*The Workshop will be held at  
The University of Vermont Medical Center Sim Lab  
Burlington, Vermont*

This hands-on Ultrasound Skills Workshop is designed to enhance learners' application of bedside ultrasound techniques and improve procedural skills which incorporate bedside ultrasound. The course will provide didactic instruction and scanning experience of several organ systems in live models, and this year will also include procedure workshops. Each station will include introductory slides provided by experienced faculty, and a faculty to attendee ratio of 1:4 or less.

## ACCREDITATION

The Robert Larner College of Medicine at The University of Vermont is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing medical education for the healthcare team.

The University of Vermont designates this live activity for a maximum of 15.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been reviewed and is acceptable for up to 11 Nursing Contact Hours.

Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity.

**PLEASE NOTE:** If you do not participate in the optional workshop, the conference is accredited for 11 credits.

## LEISURE ACTIVITIES

This course is designed so that participants are free from 10:30am to 4:00pm for skiing and other winter recreation. The Stowe Mountain Lodge offers extensive recreational facilities and superb artisan inspired cuisine. A world class spa, heated outdoor pool with indoor swim out access and full service fitness center are located on site.

Stowe exudes breathtaking beauty in the winter. World class skiing is available, at discount rates, by completing the appropriate section on the registration form. For those who seek alternatives to skiing, the village of Stowe offers many small, unique boutiques and antique shops. Nordic skiing, snowmobile rentals, and skating are also available in the area. Call the Stowe Area Association at (802) 253-7321 or visit [www.gostowe.com](http://www.gostowe.com) for information.

## TRANSPORTATION

Stowe is 10 minutes north of exit 10, I-89 on Route 100. The local roads leading to the Lodge are clearly marked. Burlington International Airport at Burlington, Vermont (only 45 minutes to Stowe) is served by several major airlines. Car rental or taxi to Stowe is available. Consult your travel agent or airline reservation desk for information. You may wish to rent a car for the 45 minute trip to the hotel to take advantage of the many fine restaurants and shops in Stowe Village and the surrounding area.
