Class of 2019 Commencement Ceremony

Regalia

Medical regalia has arrived.

If you selected **Standard Ground Shipping**, your regalia will be shipped to you via US Priority Mail on Tuesday, April 9 and you will receive tracking information via email.

If you selected **Deliver to Given** you will be able to pick up your regalia at the Given Mailroom window beginning Wednesday afternoon, April 10. You will have until Wednesday, May 15 to pick it up from the Mailroom.

Please note: Your regalia cannot be ironed – it will MELT! If your regalia is wrinkled it can be steamed safely or taken out of the packing and hung up to let the wrinkles fall out naturally between now and Commencement.
