Longitudinal Workshops

Like our Small Groups, which have been a valuable part of the WIM experience over the years, the Longitudinal Workshops will meet throughout the conference. These sessions offer physicians and partners an intimate environment for in-depth discussion of a variety of professional and personal issues. This is a great venue for getting to know your colleagues. Several will be awarded credit. Don’t miss them!

Please choose four topics - in order of preference. Indicate your choices (if any) on the registration form.
