N95 Mask Fit Test Certificates

As members of the Class of 2018, the majority of your N95 Mask Fit Test Certificates expired in March 2017, and you will need to complete the N95 Mask Fit Test again. You will find a link at the end of this message to sign up.

**PRIOR to scheduling your N95 Mask Fit Test:**

1. **Download and fill out the two-page Medical Evaluation for N95 Respirator Use form located on COMET>>Student Affairs Lounge>>green N95 Mask Fitting tab.**

2. Bring your completed form to Student Health Services, located at 425 Pearl Street between the hours of 8:00am-4:30pm - *no need to make an appointment as you are just dropping it off.* You may also send it via snail mail, but there is no way to send it electronically.

3. Once your form is approved, you will receive an email from the Center for Health and Well Being notifying you that you have a secure message on mywellbeing.uvm.edu.
   - Log on to mywellbeing.uvm.edu and locate the secure message containing confirmation of clearance for your N95 Mask Fit Test in the “Messages” tab.
   - Print the message and take it with you to your appointment.

4. Pick up both sizes of the N95 Mask (small & medium/large) at the OMSE office and bring to your appointment. The Radiation Safety office does not provide the masks.

Other guidelines:

- Please allow for up to 10 days response time from Student Health Services.
- Men must be cleanly shaven the day of appointment. The fit definitely will not be successful on a 5 o'clock shadow.
- Women must have minimal make-up.
- Smokers must refrain from smoking 4 hours prior to testing.
- Please schedule your time following the first filled time slot in order to consolidate the schedule.
- Please ensure that you arrive for your scheduled appointment in a timely fashion to minimize delays.
- Your 20-minute Mask Fit Test will take place at the Radiation Safety Office located at 004 Rowell (one floor down from the Given Courtyard).

**You will NOT receive a N95 Mask Fit Test without bringing your printed clearance confirmation message to your appointment.**

Sign up for N95 Mast Fit Test appointment [here](#) (past April 28, more times will be added in two week blocks)

Please contact [Jacqueline Drouin](#) with any questions.
