Subject: New faces in OMSE!

Please welcome, if you already haven't, Lyndsay Landrey to our OMSE team. Lyndsay comes to us from Weststaff Employment Agency as a temp while Sheri Youngberg transitions out of the office. Lyndsay most recently left the Visiting Nurse Association in Colchester acting as an Executive Assistant to the President and CEO. As of July 9th you can find her in N115.

Also on July 9th, we welcomed Nelly 'Karina' Lopez to the Active Learning Team as an Educational Developer. She is wrapping up her work as an ESL Instructor at Saint Michael's College. She has an MS in Education in Learning Design and Technology from Purdue University and is fluent in Spanish.

Welcome Lyndsay and Karina.
