Larners' \$66 million helps set new UVM Foundation record, \$135 million in fiscal year 2017.

Through a \$66 million bequest by the late **Robert Larner, M.D.'42** and his wife, **Helen**, the Larner College of Medicine helped the University of Vermont Foundation and UVM Medical Center Foundation secure a record \$135,692,313 in total new commitments pledged during the fiscal year that concluded on June 30, 2017. This achievement marked the fourth year in a row that the UVM Foundation has set a new institutional record for total commitments to support UVM and the UVM Medical Center.

Commitments include new gifts, pledges, bequests and gifts-in-kind documented during the fiscal year. The prior record at UVM for

commitments was \$76,758,513 (established in fiscal year 2016), representing an increase in 2017 of almost 77 percent.

As of June 30, 2017, there were 61,199 donors to UVM through the *Move Mountains* campaign and 18,938 donors to the UVM Medical Center, with some of these donors giving to both organizations. More than a third hail from Vermont.

Annual members of the Ira Allen Society play a critical role in the success of the University of Vermont, providing continuing, steadfast support year after year. A gift of \$2,500 or more in any one fiscal year (July 1–June 30) qualifies a Lerner College of Medicine donor as an annual member of the Ira Allen Society. An annual gift of \$100 for each of the first ten years after graduation qualifies Young Alumni Patrons.
