Subject: summer job opportunity

I am a TAP for the medical center. A friend of mine is looking to fill the paid summer position below, and asked if I knew of any job boards/contacts at the med school.

I would appreciate any ideas you may have.

Thank you! Tia

Summer Position Researching Medical Technologies for Investment Firm

Birchview Capital, an investment firm based in Burlington, VT, seeks students who have completed at least their second year of medical school to help evaluate emerging technologies in the medical device, diagnostic and therapeutic sectors. We are offering \$30 per hour and some schedule flexibility working in a casual, friendly office. The projects will focus on evaluating the latest breakthrough treatments for unmet medical needs. If this opportunity is of interest, please email your resume to Dick McCormick (Chief Financial Officer) at rmccormick@birchviewcapital.com.
