2018 Employee Wellness Incentives – Complete by 8/31/18

In 2018, Employee Wellness will help you find your starting point on your journey to health and wellbeing. Wellness activities engage employees in the five dimensions of wellbeing that promote better work-life balance, better health, increased happiness and more energy at work and at home! All UVM Medical Center employees are eligible for up to \$200 for completing the following incentives:

- Participate in a biometric screening - \$25 instant gift card
- Online health assessment - \$30
- Know Your Score - \$30
- Preventive Health Visit - \$35
- Dimension of Wellbeing Activity - \$50
- Building Resilience through targeted stress reduction activities - \$30

All incentives must be completed by 8/31/18 and will be paid at one-time payout on 9/28/18. Visit the Employee Wellness intranet page on HR Central to find out more about how to claim your incentives or click [here](#) to visit our website and report your incentives starting on 1/9/18.

Calling Wellbeing Ambassadors!

Employee Wellness is looking for Wellbeing ambassadors who are interested, engaged and motivated in creating wellness opportunities and promoting healthy choices throughout the work week. The ambassadors will serve as key communicators for Employee Wellness in wellness programming and will help spread the word of wellness initiatives and campaigns throughout the year. Participation in this program will require between 10 minutes to one hour a month, depending on your departments choice of engagement. All ambassadors are encouraged to work with their leaders to seek their support in promoting a culture of health and wellbeing in the workplace. If you are interested in becoming a Wellbeing ambassador or would like to recommend someone from your team or department, please email wellness@uvmhealth.org today.

Join the Employee Wellness Facebook Group

Get connected to Employee Wellness and [join the Facebook Group](#) today! By joining you will learn about events taking place across the organization, tips and resources to focus on your wellbeing at work and at home and more. This is also a great resource to get connected with your coworkers, ask questions, post photos and start conversation. Is there a group that walks every day? When is the next fitness campaign? What is for lunch today? Find this out and more by joining today.

Workplace Presentation

The Employee and Assistance Program (EFAP) is available to present at departmental staff meetings on a variety of topics to include: Communication and Conflict Resolution, Stress Management, Mindfulness, Substance Abuse, Depression, Anxiety, Balancing Work and Home, Grief and Loss and various human problems. The goals of these presentations are to increase awareness about how stress informs and shapes these factors and affects the workforce and ourselves individually. Our approach is solution-oriented. The focus is to build a healthy workforce through activating self-care and wellness principles and practices. If you are interested in having EFAP present one of these talks at your staff meeting, please call (802) 847-2827 or email EFAP@UVMHealth.org to schedule a time.

Employee Tobacco Cessation Program

Most tobacco users quit several times before they are successful. Here at The University of Vermont Medical Center, we believe that every try counts! The employee tobacco cessation program offers a supportive approach to help you and your household family members become tobacco-free for life. If you are ready to try again, contact (802) 847-2827, or email wellness@uvmhealth.org to register. You will receive coaching and a one-month supply of free patches, gum or lozenges.

Community Tobacco Cessation Program
