**2108 UVM Medical Alumni Association Awards Ceremony - June 8**
H. James Wallace, III, M.D. ’88, Associate Professor, University of Vermont Larner College of Medicine, and Chief, Division of Radiation Oncology, Department of Radiology, UVM Medical Center, to receive the UVM Larner College of Medicine’s prestigious A. Bradley Soule Medical Alumni Award during UVM Medical Alumni Weekend in June.

Please join us for the Awards Ceremony on Friday, June 8, at 5:15 pm, and join Dr. Wallace as he receives his award in front of fellow alumni, friends and faculty. To attend, please RSVP to medalumni.relations@uvm.edu.

For details on the UVM Medical Alumni Association awards program or the full reunion weekend schedule, click here.

**2nd Annual Andrew Godaire Memorial Golf Tournament – July 20**
This annual event raises funds to support the Andrew Godaire Memorial Fund, which awards grants to Medical Assistants at UVM Medical Center. For more information, contact Lori Ann Roy at (802) 847-2195.

**HealthSource Classes**
UVM Medical Center’s Spring HEALTHSOURCE CLASSES are now open for registration! Learn the latest in the management and treatment of osteoporosis and macular degeneration, older adult housing options, caring for your skin, safe driving, managing stress and more! These classes are free and open to the public. Free parking on site available. To register or for more information please call us at (802) 847-7222 or click here.

**Learning Garden at Fanny Allen!**

*Garden Spaces Available*
Join us in the beautiful Fanny Allen Gardens to learn how to grow and cook fresh and delicious vegetables for you and your family using the Square Foot Gardening method. Workshops include garden planning, backyard composting, organic pest and disease control, canning, fermenting and more! The Learning Garden is seeking participants who have a significant interest in learning how to grow their own food and who are willing to make a commitment to maintain their growing space for the entire season. The program begins May 2 and ends September 26 with an informational
meeting on April 25 and workshops on Wednesdays from 4:30-6:30 pm. To learn more about this opportunity or to receive an application via email, contact Lisa Hoare at lisa.hoare@uvmhealth.org or call (802) 847-3833.

**Summer Opportunities with Nutrition Services**

Join The University of Vermont Medical Center’s group of over 750 volunteers and have some fun this year with one of the following Nutrition Services summer programs. From picking ripe tomatoes or harvesting herbs for tea to beekeeping or distributing farm-fresh food to our patients, there are several opportunities to join in this fun and rewarding community. For more information about the volunteer opportunities, contact Lisa Hoare at lisa.hoare@uvmhealth.org or call (802) 847-3833.

**The Warming Shelter**

The Warming Shelter is now open at 179 S. Winooski Avenue. The Community Health Centers of Burlington will be operating the shelter again this year and have set-up a MealTrain page for scheduling meal donations. Guests of the warming shelter really appreciate having a warm meal when they come to shelter, and for some it is their first warm meal of the day.

Click [here](#) for MealTrain details on the types of meals preferred and how many people they will be serving. The link also provides information on parking when making meal deliveries and other pertinent information.

If you decide to plan a meal as part of a departmental effort and would like some great “Prepared by UVM Medical Center Employees” stickers for your meals, contact Thifeen WaheedDeen at twd@uvmhealth.org; she will send via inter-office mail.

**One-on-One Financial Counseling – Take Control of Your Financial World!**

UVM Medical Center is offering a class for employees to meet with a NEFCU advisor to help with budgeting and financial counseling. NEFUC Branch, McClure 2 connector. To view the monthly schedule and to enroll in eLearn, click [here](#).

**Vermont Lung Center - Weight Loss Research Study for Asthmatics**

If you overweight, have access to the internet and have asthma you may be eligible to participate in a Vermont Lung Center study research program that involves an online weight loss program and six clinic visits. This is a six-month weight loss educational program to change diet and exercise habits and is provided at no cost to volunteers who qualify. Please call (802) 847-2193 for more information.

**Healthy Volunteers for Vaccine Study**

Healthy Adults aged 18 – 50 needed for Dengue Fever Vaccine research. During the 7-month long study, participants attend vaccinations and brief follow-up visits at The University of Vermont Medical Center. Volunteers receive up to $1,900 in financial compensation if all visits are completed. For more information and to schedule a screening contact us: (802) 656-0013; UVMVTC@UVM.edu or visit UVMVTC.org

The Corporate Cup is a 5K team running/walking event held on May 17, 6pm (rain or shine), Statehouse Lawn, Montpelier. The proceeds of this event benefit the many programs and events of the Vermont Governor’s Council on Physical Fitness and Sports. Deadline for registration is Friday, May 14. To register, click here. *Registration costs $28 per person for early registration, $38 person if you register after May 4. Secure t-shirts for your teams by contacting Employee Wellness, wellness@uvmhealth.org.

Mindfulness Tools for Health and Wellbeing Three-week Series - May & October Offerings
Relieve stress and encourage wellbeing through mindfulness meditation practice. Introduction to mindfulness meditation through guided practices and discussion. Sponsored in partnership with the Employee and Family Assistance Program and Employee Wellness. You will learn:

- What mindfulness means
- Mindfulness meditation may be easier to practice than you think
- How mindfulness can help relieve stress and anxiety
- Ways to be more mindful in your life and work as a daily practice for self-care

Wednesdays - May 2, 9, 16 2018 12 noon-1 pm, HIM Training Room, Holly Court Suite #20
Wednesdays - October 3, 10, 17 2018 12 noon-1 pm, 1 So. Prospect St. Arnold 6410

Roz Grossman, MA, offers mindfulness meditation and has taught workshops to cancer patients at the UVM Medical Center since 2010. She has received training in the Mindfulness-Based...
Stress Reduction (MBSR) Program started by Jon Kabat-Zinn. She has a background in nursing and health education. Roz has had a personal meditation practice for over 20 years.

To register in eLearn, click here. Questions? Email wellness@uvmhealth.org.

2018 Employee Wellness Incentives – Complete by 8/31/18
In 2018, Employee Wellness will help you find your starting point on your journey to health and wellbeing. Wellness activities engage employees in the five dimensions of wellbeing that promote better work-life balance, better health, increased happiness and more energy at work and at home! All UVM Medical Center employees are eligible for up to $200 for completing the following incentives:

- Participate in a biometric screening - $25 instant gift card
- Online health assessment - $30
- Know Your Score - $30
- Preventive Health Visit - $35
- Dimension of Wellbeing Activity - $50
- Building Resilience through targeted stress reduction activities - $30

All incentives must be completed by 8/31/18 and will be paid at one-time payout on 9/28/18. Visit the Employee Wellness intranet page on HR Central to find out more about how to claim your incentives or click here to visit our website and report your incentives starting on 1/9/18.

Calling Wellbeing Ambassadors!
Employee Wellness is looking for Wellbeing ambassadors who are interested, engaged and motivated in creating wellness opportunities and promoting healthy choices throughout the work week. The ambassadors will serve as key communicators for Employee Wellness in wellness programming and will help spread the word of wellness initiatives and campaigns throughout the year. Participation in this program will require between 10 minutes to one hour a month, depending on your departments choice of engagement. All ambassadors are encouraged to work with their leaders to seek their support in promoting a culture of health and wellbeing in the workplace. If you are interested in becoming a Wellbeing ambassador or would like to recommend someone from your team or department, please email wellness@uvmhealth.org today.

Join the Employee Wellness Facebook Group
Get connected to Employee Wellness and join the Facebook Group today! By joining you will learn about events taking place across the organization, tips and resources to focus on your wellbeing at work and at home and more. This is also a great resource to get connected with your coworkers, ask questions, post photos and start conversation. Is there a group that walks every day? When is the next fitness campaign? What is for lunch today? Find this out and more by joining today.

Workplace Presentation
The Employee and Assistance Program (EFAP) is available to present at departmental staff meetings on a variety of topics to include: Communication and Conflict Resolution, Stress
Management, Mindfulness, Substance Abuse, Depression, Anxiety, Balancing Work and Home, Grief and Loss and various human problems. The goals of these presentations are to increase awareness about how stress informs and shapes these factors and affects the workforce and ourselves individually. Our approach is solution-oriented. The focus is to build a healthy workforce through activating self-care and wellness principles and practices. If you are interested in having EFAP present one of these talks at your staff meeting, please call (802) 847-2827 or email EFAP@UVMHealth.org to schedule a time.

Employee Tobacco Cessation Program
Most tobacco users quit several times before they are successful. Here at The University of Vermont Medical Center, we believe that every try counts! The employee tobacco cessation program offers a supportive approach to help you and your household family members become tobacco-free for life. If you are ready to try again, contact (802) 847-2827, or email wellness@uvmhealth.org to register. You will receive coaching and a one-month supply of free patches, gum or lozenges.

Community Tobacco Cessation Program
Free five-week quit groups available. Receive FREE 10-week supply of gum, patches or lozenges when you participate. Classes are held at various locations around Chittenden County. Call for upcoming dates and times, (802) 847-7333 or QuitTobaccoClass@UVMHealth.org
