**UPCOMING EVENTS/PROGRAMS**

[**Colchester July 4th Parade** – July 4](#)
All are invited to join The University of Vermont Children's Hospital for the Colchester July 4th parade. Meet at Colchester High School by 10 am; the parade will begin at 11 am; parade route ends at Lavigne Road. Arrive early as the traffic does get backed up closer to parade start time. Email Sue Victory by June 22 at susan.victory@uvm.edu for more details and with t-shirt size(s) for a UVM Children’s Hospital t-shirt for all participants.

**Bleeding Control Course (B-CON) - Open to All Employees and the Public!**
“Stop the Bleed” is a national campaign started by the White House to address the most common cause of preventable trauma death in the US: uncontrolled bleeding. No matter how rapid the arrival of professional emergency responders, bystanders will always be the first on the scene. We want to ensure that everyone is knowledgeable in the use of compression or a tourniquet in trying to stop uncontrolled bleeding. Training consists of a presentation, opportunity for discussion and a hands-on skills station. If not available to attend any of these sessions, contact us to have training done for your department or unit – RSVP or questions: BleedingControl@uvmhealth.org.

**Date:** Wednesday, July 11  
**Location:** McClure Lobby Conference Room  
**Time:** 11 am-12 noon and 12 noon-1 pm

**Date:** Tuesday, August 28  
**Location:** McClure Lobby Conference Room  
**Time:** 11 am-12 noon and 12 noon-1 pm

**Date:** Wednesday, September 19  
**Location:** McClure Lobby Conference Room  
**Time:** 2-3 pm and 3-4 pm

**Key Notable Workshop – July 14 – July 15**
The Division of Emergency Medicine presents Keynotable, a workshop-style course specifically designed for medical professionals who want to give effective, engaging and inspiring
presentations. Basic full-day session offered on Saturday, 7:30 am-5 pm, with advanced session offered on Sunday, 7:30 am-5 pm. Presenter: Haney Mallemat, MD, Founder & Lead Faculty, Keynotable. To register and for more information, click here.

2nd Annual Andrew Godaire Memorial Golf Tournament – July 20
This annual event raises funds to support the Andrew Godaire Memorial Fund, which awards grants to Medical Assistants at UVM Medical Center. For more information, contact Lori Ann Roy at (802) 847-2195.

UVM Medical Center Presents Free Nights at the Ballpark! – July 26, August 21

- July 26 – 7:05 pm - Williamsport Crosscutters--Kids Eat Free-first 400 kids (12 and under) through the gate receive a voucher for a free hot dog, chips and drink.
- August 21 – 7:05 pm – Aberdeen IronBirds–Lake Monster player figurine giveaway to the first 1,000 fans. After the game, kids (12 and under) can go out on Centennial Field and run the bases.

Gate opens one hour prior to game time.

6th Annual Vermont Center on Behavior and Health Conference – October 11-12
Note: Abstracts Due July 31
“The U.S. Opioid Epidemic: The Need for Innovation and Greater Treatment Capacity”
This conference will focus on the nation’s opioid epidemic, improving access to treatment, and effective pain/addiction management. Keynote speaker: Sharon Walsh, PhD, Director of the Center on Drug and Alcohol Research, and Professor of Psychiatry at the University of Kentucky. We are also announcing the call for poster abstract focused on research related to the opioid dependence epidemic. Abstracts will be evaluated on the basis of scientific merit. Send submissions (including title, authors, affiliations, and 250-word abstract) to Diann Gaalema at diann.gaalema@med.uvm.edu by July 31. For conference information, click here; for general information, contact Marissa Wells at mwells2@uvm.edu. Can’t attend the conference? Watch it LIVE at https://livestream.com/VCBH/Conferene2018

Faculty Development Workshop: “Interprofessional Faculty Development in Simulation” – August 9-10
This two-day workshop is designed to promote faculty development and interprofessional collaboration in simulation within health care curricula. Larner College of Medicine at UVM, UVM College of Nursing and Health Sciences and UVM Medical Center faculty are welcome. Limited to 12 participants. 7:30 am-4:00 pm, UVM Clinical Simulation Laboratory, 237 Rowell Building 106. To register, contact trish.hartigan@med.uvm.edu or call (802) 656-0748.

Congenital Cytomegalovirus (CMV) Public Health & Policy Conference – September 23-25
Registration and parent scholarships are now OPEN for the 2018 Congenital CMV conference. The goal is to present the latest research on diagnosis and treatment, raise awareness, delineate prevention efforts, provide information about early intervention options and disseminate family support resources in an effort to reduce the number of babies born with CMV and connect families
affected by CMV with the resources they need to improve their quality of life. Don’t forget to register for one of the four pre-sessions offered on September 23 to enhance conference learning. For more information and to register, click here. Location: DoubleTree Hotel, Burlington

Summer Opportunities with Nutrition Services
Join The University of Vermont Medical Center’s group of over 750 volunteers and have some fun this year with one of the following Nutrition Services summer programs. From picking ripe tomatoes or harvesting herbs for tea to beekeeping or distributing farm-fresh food to our patients, there are several opportunities to join in this fun and rewarding community. For more information about the volunteer opportunities, contact Lisa Hoare at lisa.hoare@uvmheath.org or call (802) 847-3833.

One-on-One Financial Counseling – Take Control of Your Financial World!
UVM Medical Center is offering a class for employees to meet with a NEFCU advisor to help with budgeting and financial counseling. NEFCU Branch, McClure 2 connector. Contact Amanda Seeholzer to schedule a time to meet with a NEFCU advisor. She can be reached via email at seeholzer@nefcu.com or by phone at (802) 764-2674.

Vermont Lung Center - Weight Loss Research Study for Asthmatics
If you overweight, have access to the internet and have asthma you may be eligible to participate in a Vermont Lung Center study research program that involves an online weight loss program and six clinic visits. This is a six-month weight loss educational program to change diet and exercise habits and is provided at no cost to volunteers who qualify. Please call (802) 847-2193 for more information.

Research Study Volunteers Needed: “Migraine and the Microbiome”
Are the organisms in your gut associated with migraine?

As part of a research study to examine whether your gut “microbiome” is related to migraine, clinicians in the UVM Medical Center Neurology Service are looking for volunteers with migraine who:

- Are female
- Are 18-50 years old
- Have at least one sister who DOES NOT have migraine and also agrees to participate in the study (Note: The sibling does not have to live in Vermont.)

Volunteers with migraine will be asked to complete a brief research visit at the Office of Clinical Trials Research at UHC; then collect 2 stool samples (in the comfort of your home). We provide pre-addressed, pre-paid mailers for each sample.

Subjects will be given a $15 Amazon gift card for each sample received.
For more information, call the clinical coordinator Sean Linehan at (802) 656-9402.

Wellness Offerings

Join Employee Wellness for the 2018 Physical Activity Campaign “Move into Summer: The Great Outdoors” – June 4-July 6, 2018

Sign up to experience fun, safe and easy ways to be physically active outdoors during the 2018 physical activity campaign, “Move into Summer: The Great Outdoors.” All registered participants will receive:

- Free access to workshop offerings from local outdoor retailers and organizations that will include Outdoor Gear Exchange, Local Motion, Vermont State Parks and The Green Mountain Club.
- Free access *(with employee badge)* to local fitness and exercise facilities on our Menu of Movement for you and a household family member.
- Receive weekly emails with information, as well as the featured events occurring that week.
- Be entered to win one of several grand prizes, which will include gift certificates to Outdoor Gear Exchange, Skirack, Earl’s Cyclery and Fitness and a FitBit®.

Employee Wellness is dedicated to helping every employee take steps towards improving their overall wellbeing. For more information, email wellness@uvmhealth.org.

Participants can register two ways: *(1) through the Intranet between May 28 and June 8 and be entered to win a $25 gift card; and (2) in person at the following tabling events for a chance to win a Petzl headlamp:*

- Wednesday, June 6 – 11:30 am-1 pm, Main Street Café, UVM Medical Center Campus

greenride bikeshare

Announcing Vermont’s first full-scale public bike share system! This is a fun 24/7 transportation system. It is designed for short point-to-point trips. Users download the mobile app, signup and then pick up a bike from any of the convenient bike hubs around Burlington, Winooski and South Burlington. UVM Medical Center employees are eligible for a discounted Annual Membership of $25/year (that’s only $2 per month). To sign up for the Campus Plan, click [here](#).

For more information on this program, click [here](#) to visit the CATMA website.

Mindfulness Tools for Health and Wellbeing Three-week Series - October Offerings

Relieve stress and encourage wellbeing through mindfulness meditation practice. Introduction to mindfulness meditation through guided practices and discussion. Sponsored in partnership with the Employee and Family Assistance Program and Employee Wellness. You will learn:

- What mindfulness means
- Mindfulness meditation may be easier to practice than you think
- How mindfulness can help relieve stress and anxiety
• Ways to be more mindful in your life and work as a daily practice for self-care

**Wednesdays** - October 3, 10, 17 2018 12 noon-1 pm, 1 So. Prospect St. Arnold 6410

Roz Grossman, MA, offers mindfulness meditation and has taught workshops to cancer patients at the UVM Medical Center since 2010. She has received training in the Mindfulness-Based Stress Reduction (MBSR) Program started by Jon Kabat-Zinn. She has a background in nursing and health education. Roz has had a personal meditation practice for over 20 years.

To register in eLearn, click [here](#). Questions? Email [wellness@uvmhealth.org](mailto:wellness@uvmhealth.org).

**2018 Employee Wellness Incentives – Complete by 8/31/18**

In 2018, Employee Wellness will help you find your starting point on your journey to health and wellbeing. Wellness activities engage employees in the five dimensions of wellbeing that promote better work-life balance, better health, increased happiness and more energy at work and at home! All UVM Medical Center employees are eligible for up to $200 for completing the following incentives:

- Participate in a biometric screening - $25 instant gift card
- Online health assessment - $30
- Know Your Score - $30
- Preventive Health Visit - $35
- Dimension of Wellbeing Activity - $50
- Building Resilience through targeted stress reduction activities - $30

All incentives must be completed by 8/31/18 and will be paid at one-time payout on 9/28/18. Visit the Employee Wellness intranet page on HR Central to find out more about how to claim your incentives or click [here](#) to visit our website and report your incentives starting on 1/9/18.

**Calling Wellbeing Ambassadors!**

Employee Wellness is looking for Wellbeing ambassadors who are interested, engaged and motivated in creating wellness opportunities and promoting healthy choices throughout the work week. The ambassadors will serve as key communicators for Employee Wellness in wellness programming and will help spread the word of wellness initiatives and campaigns throughout the year. Participation in this program will require between 10 minutes to one hour a month, depending on your departments choice of engagement. All ambassadors are encouraged to work with their leaders to seek their support in promoting a culture of health and wellbeing in the workplace. If you are interested in becoming a Wellbeing ambassador or would like to recommend someone from your team or department, please email [wellness@uvmhealth.org](mailto:wellness@uvmhealth.org) today.

**Join the Employee Wellness Facebook Group**

Get connected to Employee Wellness and [join the Facebook Group](#) today! By joining you will learn about events taking place across the organization, tips and resources to focus on your wellbeing at work and at home and more. This is also a great resource to get connected with your coworkers, ask questions, post photos and start conversation. Is there a group that walks every
day? When is the next fitness campaign? What is for lunch today? Find this out and more by joining today.

**Workplace Presentation**
The Employee and Assistance Program (EFAP) is available to present at departmental staff meetings on a variety of topics to include: Communication and Conflict Resolution, Stress Management, Mindfulness, Substance Abuse, Depression, Anxiety, Balancing Work and Home, Grief and Loss and various human problems. The goals of these presentations are to increase awareness about how stress informs and shapes these factors and affects the workforce and ourselves individually. Our approach is solution-oriented. The focus is to build a healthy workforce through activating self-care and wellness principles and practices. If you are interested in having EFAP present one of these talks at your staff meeting, please call (802) 847-2827 or email EFAP@UVMHealth.org to schedule a time.

**Employee Tobacco Cessation Program**
Most tobacco users quit several times before they are successful. Here at The University of Vermont Medical Center, we believe that every try counts! The employee tobacco cessation program offers a supportive approach to help you and your household family members become tobacco-free for life. If you are ready to try again, contact (802) 847-2827, or email wellness@uvmhealth.org to register. You will receive coaching and a one-month supply of free patches, gum or lozenges.

**Community Tobacco Cessation Program**
Free five-week quit groups available. Receive FREE 10-week supply of gum, patches or lozenges when you participate. Classes are held at various locations around Chittenden County. Call for upcoming dates and times, (802) 847-7333 or QuitTobaccoClass@UVMHealth.org

**Educational Offerings**
**Feeling Unsatisfied? You Have Options.**

It just takes one small step forward in a new direction to catalyze incredible change. At the University of Vermont, we’ve helped thousands of non-traditional, part-time students alter the direction of their lives through Continuing and Distance Education. With more than 40 programs and 400 courses designed to help you make the most of your time and talent, we believe that no one should feel stuck in an unsatisfying career, and that individual and academic growth can continue well beyond your high school diploma or undergraduate/graduate degree.

- Check out some of our upcoming programs developed for your success in the 21st century job market—including our popular End of Life Doula Professional Certificate, our top-ranked Digital Marketing Fundamentals program, and our brand-new Unmanned Aircraft Systems (UAS)/Drone Workshop—and take that first step with UVM.
- Explore public health and policy issues while gaining a strong foundation in population health sciences in UVM's top-ranked, online Master of Public Health. Click here.
- With both field and classroom site components, learn both how to operate drones to collect data and how to use the latest technology to turn drone photos into information that
can be used for a variety of applications in UVM’s new, 3-day summer program, Unmanned Aircraft System (UAS)/Drone Workshop. Click here.

- Looking to become a stronger applicant to medical or other health-professional schools? UVM’s Master of Medical Science Degree program can help you enhance your credentials through an advanced science curriculum that includes access to research, patient care, and volunteer opportunities, designed to help you achieve your goal of working in healthcare. Click here.

- Help meet the growing demand for compassionate care for the dying with UVM’s popular, fully online End of Life Care Professional Certificate program, providing clients with individualized support and promoting personalized, even positive dying passages for clients and their loved ones. Click here.

- UVM offers four, 1-year, 18-credit graduate certificate programs in Public Health designed for those interested in pursuing a career in Public Health or enhancing their credentials in the field. Available options include certificates in Public Health (general), Epidemiology, Global and Environmental Health, and Healthcare Management and Policy. Click here.

- Do you dream of becoming a doctor or other healthcare professional but lack the required courses to apply to medical school? UVM’s Post-Baccalaureate Premedical Program is designed to provide you with the prerequisite coursework and access to research and direct patient care experiences you need to achieve your career goals. Click here.

- Learn the essential skills to launch a career in the competitive craft beer industry with UVM’s Business of Craft Beer Certificate program. Click here.

- Build effective strategies to connect with consumers using the latest research and trends in UVM’s top-ranked Digital Marketing Fundamentals Professional Certificate program. Click here.

- An increasingly global and diverse workplace requires leaders who can meet today’s business and management challenges. Learn the necessary skills to succeed with UVM’s Leadership and Management Professional Certificate. Comprised of a series of eight, day-long, locally-held seminars, you can choose seminars a la carte or attend all eight to complete your certificate. Click here.

- Project management is one of the most important and sought-after skills in today’s fast-paced business environment. Get the tools and techniques to improve approaches and outcomes to project management with UVM’s Project Management Professional Certificate, a series of five, local, day-long seminars. Click here.

Interested in exploring a specific area of study? Registration is open for Summer University! Comprised of more than 500 courses (200+ available online!), Summer University provides an incredible opportunity for students of all ages to earn credits or take a course just for fun.

Visionaries wanted: UVM is now enrolling for its 3-week Breakthrough Leaders for Sustainable Food Systems Certificate Program. Gain an understanding of the issues we face on account of our broken food system, engage with local organizations involved in the sustainability movement, and create forward-thinking solutions that you can apply to your own community. Click here.
Clinical and Translational Research Courses
Join our classes to learn and improve your research skills. Small group settings provide individual attention and opportunity to share your research ideas and projects. Classes include “Designing Clinical & Translational Research” and “Cell to Society – Cardiovascular Disease.” Contact Sylvie.Frisbie@uvm.edu or call (802) 656-4560 for information.

Champlain College Offers Online Degree and Certificate Programs to UVM Health Network Employees
Are you considering going back to school to complete a degree or a professional certificate? UVM Health Network has teamed up with Champlain College to offer online degree and certificate programs at a significant tuition discount to support your continuing education goals. Champlain College’s truEd Program provides an opportunity to earn an associate, bachelor or master’s degree, undergraduate or graduate certificate.

As an employee of the UVM Health Network, you will have access to over 50 online programs at a 50% discount off standard tuition for our online undergraduate and graduate programs. This benefit has now been extended to part-time employees, spouses and adult dependent children (ages 23-26). For further information, click here.
