Roz Grossman, MA, offers mindfulness meditation and has taught workshops to cancer patients at the UVM Medical Center since 2010. She has received training in the Mindfulness-Based Stress Reduction (MBSR) Program started by Jon Kabat-Zinn. She has a background in nursing and health education. Roz has had a personal meditation practice for over 20 years.

To register in eLearn, click [here](#). Questions? Email wellness@uvmhealth.org.

**2018 Employee Wellness Incentives – Complete by 8/31/18**

In 2018, Employee Wellness will help you find your starting point on your journey to health and wellbeing. Wellness activities engage employees in the five dimensions of wellbeing that promote better work-life balance, better health, increased happiness and more energy at work and at home! All UVM Medical Center employees are eligible for up to $200 for completing the following incentives:

- Participate in a biometric screening - $25 instant gift card
- Online health assessment - $30
- Know Your Score - $30
- Preventive Health Visit - $35
- Dimension of Wellbeing Activity - $50
- Building Resilience through targeted stress reduction activities - $30

All incentives must be completed by 8/31/18 and will be paid at one-time payout on 9/28/18. Visit the Employee Wellness intranet page on HR Central to find out more about how to claim your incentives or click [here](#) to visit our website and report your incentives starting on 1/9/18.

**Calling Wellbeing Ambassadors!**

Employee Wellness is looking for Wellbeing ambassadors who are interested, engaged and motivated in creating wellness opportunities and promoting healthy choices throughout the work week. The ambassadors will serve as key communicators for Employee Wellness in wellness programming and will help spread the word of wellness initiatives and campaigns throughout the year. Participation in this program will require between 10 minutes to one hour a month, depending on your departments choice of engagement. All ambassadors are encouraged to work with their leaders to seek their support in promoting a culture of health and wellbeing in the workplace. If you are interested in becoming a Wellbeing ambassador or would like to recommend someone from your team or department, please email wellness@uvmhealth.org today.

**Join the Employee Wellness Facebook Group**

Get connected to Employee Wellness and [join the Facebook Group](#) today! By joining you will learn about events taking place across the organization, tips and resources to focus on your wellbeing at work and at home and more. This is also a great resource to get connected with your coworkers, ask
questions, post photos and start conversation. Is there a group that walks every day? When is the next fitness campaign? What is for lunch today? Find this out and more by joining today.

**Workplace Presentation**
The Employee and Assistance Program (EFAP) is available to present at departmental staff meetings on a variety of topics to include: Communication and Conflict Resolution, Stress Management, Mindfulness, Substance Abuse, Depression, Anxiety, Balancing Work and Home, Grief and Loss and various human problems. The goals of these presentations are to increase awareness about how stress informs and shapes these factors and affects the workforce and ourselves individually. Our approach is solution-oriented. The focus is to build a healthy workforce through activating self-care and wellness principles and practices. If you are interested in having EFAP present one of these talks at your staff meeting, please call (802) 847-2827 or email EFAP@UVMHealth.org to schedule a time.

**Employee Tobacco Cessation Program**
Most tobacco users quit several times before they are successful. Here at The University of Vermont Medical Center, we believe that every try counts! The employee tobacco cessation program offers a supportive approach to help you and your household family members become tobacco-free for life. If you are ready to try again, contact (802) 847-2827, or email wellness@uvmhealth.org to register. You will receive coaching and a one-month supply of free patches, gum or lozenges.

**Community Tobacco Cessation Program**
Free five-week quit groups available. Receive FREE 10-week supply of gum, patches or lozenges when you participate. Classes are held at various locations around Chittenden County. Call for upcoming dates and times, (802) 847-7333 or QuitTobaccoClass@UVMHealth.org

**Educational Offerings**
**Plan Your Summer (and Your Future Success) with UVM!**
Join us on campus OR online: Now open for registration, Summer University is available to students of all ages, offering hundreds of opportunities for you to earn credits, explore an area of interest, take a course for the sheer enjoyment of learning something new, or take advantage of a career-building opportunity. With a variety of start dates and meeting patterns, UVM’s courses are designed to accommodate working professionals and summer schedules. Best of all, summer courses are priced at 30% off the standard tuition rate. It’s never been a better time to go back to school.

UVM Continuing and Distance Education is also accepting applications for a number of incredible programs geared toward your personal and professional growth. From our immersive, 3-day John Dewey Kitchen Institute created to revitalize your teaching practice to our fully online, top-ranked Master of Public Health, our programs are designed to help you reach your fullest potential and achieve your academic and career goals at any stage of your life.

Check out these upcoming programs:

- [Master of Public Health](#)
