

# COVID-19 in Pediatric Patients

## Triage, Evaluation, Testing and Return to School

This is a changing environment, and as we gain new knowledge about this virus, expect adaptations  
**The algorithm does NOT apply to children diagnosed with COVID-19 by PCR within the past three months.** Please consult CDC protocols in those situations.

Current as of August, 2021

Note: Pediatric patients who have returned from international travel should follow the [After International Travel](#) guidance from the CDC.

<sup>1</sup>As determined by contact tracing  
<sup>2</sup>Vaccinated means two weeks after final dose of vaccine series

\* Please consult return to play documents [located here](#)
