COURSE DESCRIPTION
The conference is intended for dermatologists, although primary care physicians with a special interest in dermatology are welcome to attend. The course is designed to provide high-level continuing education for dermatologists, keeping them abreast of new and exciting findings in basic science, clinical dermatology and dermatologic therapy.

EDUCATIONAL OBJECTIVES
1. Successfully implement acne treatment regimens which avoid the use of prolonged oral antibiotics.
2. Recognize and treat unusual dermatoses and tumors that you will nonetheless see in your career.
3. Correctly diagnose and properly treat diseases of travelers.
4. Improve your diagnosis and management of cutaneous vasculitides.
5. Be literature literate. Update yourself on the most recent articles of 2017.
6. Properly evaluate, diagnose and manage dermatomyositis.
7. Augment your abilities as a dermatologic consultant in the hospital.
8. Stay up-to-date with new systemic and biologic agents in dermatology.

REGISTRATION
TUITION: Physicians $600 (on or before December 15); Nurse Practitioners, Physician Assistants and Pharmacists $375 (on or before December 15); Physicians-in-training $300. Fee includes online course materials, continental breakfasts, breaks and reception.

REFUNDS: Refunds, minus an administrative fee of $75, will be made only if notice of cancellation is received in writing by January 10, 2018. Refunds are not possible after that date.

LEISURE TIME
Stowe has breathtaking beauty in the winter. Enjoy the slopeside ski in/ski out convenience of the Stowe Mountain Lodge. The best in alpine skiing is found at Stowe’s Mt. Mansfield and Spruce Peak complex. Mt. Mansfield is Vermont’s highest peak and offers a wide range of terrain for every ability level. It’s known for the double-black diamond (most difficult) “Front Four” trails, but also offers some great intermediate and cruiser and a lovely group of beginner trails in the Toll House area. Stowe is now Epic and part of Vail Resorts.

Stowe’s interconnected cross-country ski centers provide one of the largest, most diverse trail systems in the United States. More than 150km of groomed and 100km of back-country trails criss-cross Stowe’s landscape.

A single all-purpose voucher will provide a discount for each person who participates in the Nordic (Nordic or Alpine) or ride, rent equipment, take a lesson, and/or participate in any of the children’s lesson programs. Only one voucher is needed per person, regardless of how it is to be used.
