

Vermont Academic Detailing Program

What is Academic Detailing?

- One-hour interactive sessions geared to practitioners who prescribe medications
- The latest evidence-based prescriber support and education for managing common but challenging primary care conditions
- One FREE hour of CME is offered for each session
- An objective, unbiased overview of what the evidence from studies shows about various drugs, and non-drug therapies used to treat a medical condition
- There is NO pharmaceutical company sponsorship associated with the program

Where?

An Academic Detailer will visit a primary care office anywhere in the state of Vermont at a time that is convenient for the individual practice.

Want to know more?
